11) A special order transferring Rs.300 from the P.W.D. Budget to the Budget of the Garden department does not seem to be necessary or appropriate. The Budget provision for this item is not made specifically and is included in the provision made for works, which is based on the requirements as a whole and not on individual works. The grant for the P.W.D. under 'Repairs and maintenance" is on a lumpsum basis and to say that this should be reduced by Rs.300 will not be of much use.

12) I find on page 75 of the Budget for 1932-33 a provision of Rs.18,600/- for "Improvements and other charges under "2(iv)Parks and Minor Gardens" and the Superintendent, Government Gardens may well meet the present charges out of this provision.
